

This policy sets out the procedures to be followed to ensure the safety and protection of the whole school community in the event of a critical incident.

Definition

A critical incident can be a physical incident or psychological trauma that has a severe immediate impact and likely long-term effect on pupils, staff or parents. This may include:

- Major incidents that involve staff, children or young people or others
- People-made disasters/emergencies, acts of terrorism
- Natural disasters/emergencies

In-school

- the death of a pupil or member of staff through natural causes, such as illness
- a traffic accident involving a pupil or staff member
- a deliberate act of violence, such as a knife attack or the use of a firearm
- a bomb hoax
- a pupil or teacher being taken hostage
- a school fire or flood
- allegations or actual incidents of abuse against pupils by staff and staff against pupils
- an arson attack on the school

Out-of-school

- deaths or injuries on school journeys, trips, or residential trips
- tragedies involving children from many schools at public events such as football matches
- civil disturbances
- refugee children joining a school, uprooted from their countries and perhaps shocked by wars or atrocities
- abductions / disappearances
- Incidents involving the murder of school children that attract the attention of national and international media over prolonged periods
- a civil disturbance or terrorism
- a disaster in the community
- a transport accident involving school members

Major Incidents Focused on People

Whilst all critical incidents are difficult for all concerned, those that involve serious injury or death are inevitably traumatic. By their very nature and definition, critical incidents tend to disorientate and may

overwhelm those involved. Planning ahead is a necessary precaution and can be crucial. Communication during and following an incident is, of course, of great importance.

Preventative and precautionary measures

Whilst no amount of planning can totally prevent accidents and problems occurring, it is hoped that some can be prevented, and the effects of others minimised by taking sensible precautionary measures.

It is expected that:

- Staff and pupils will be familiar with the school routines for fire and the evacuation of the school building on hearing the fire alarm
- Staff will be familiar with the routines and procedures for dealing with emergencies
- Staff and pupils will be familiar with the school's security procedures, in particular that all visitors not wearing a visitor badge/lanyard should be questioned and escorted to the school entrance area
- Staff organising school trips and visits follow the guidelines and write a risk assessment to be signed off by the Headmistress or Deputy Head
- Staff will sign in and out of the premises
- Staff are aware of pupils with medical needs or health problems
- Staff are aware that they should assess associated risks to children before carrying out a curriculum (or other) activity
- Staff are aware that they are responsible for assessing risks to themselves before undertaking an activity

Additionally, in the event of a critical incident, the priorities of those adults in charge of the school or trip will be able to:

- Attempt to save life
- Minimise personal injury
- Safeguard the interests of all pupils and staff
- Minimise loss and to return to normal working as quickly as possible

In the event of a school related emergency the proposed arrangement is outlined here:

Incident occurs

The Headmaster, Mike Stanley is notified on School landline 020 7247 1588 or mobile 07939 066126.

The Headmaster or member of the Senior Leadership Team will then contact:

- Emergency Services 999 if appropriate
- Lead Governor – David Goodhew – 07877 645837 david.goodhew@dukeseducation.com
- Bursar and Head of Operations – Natalie Wray – 07792367048 – nwrap@lyceumschool.co.uk
- Deputy Head - Sara Taggart 07837 875 staggart@lyceumschool.co.uk

- Caretaker – Horacio Rosa 07771 667 587
- Local Authority - London Borough of Hackney 020 8356 2366

Out of School Hours

A member of staff witnessing or first discovering the incident will be responsible for initiating the immediate response to the emergency situation. He/she will:

- Call the emergency services 999
- Evacuate the premises immediately, if necessary
- Inform the Headmistress of the incident
- Group leaders will:
 - Account for all party members
 - Delegate a member of staff to take care of uninjured members of the party
 - Call the School
 - Keep a log of actions taken and conversations held

Shelter/Lockdown Procedures

Shelter in school building may be appropriate if there is a:

- a. toxic release posing a threat to safety
- b. threat from an intruder or animal on the school grounds or within the vicinity of the school
- c. an act of terrorism within the school
- d. a terrorist hoax event (e.g. bomb, firearm) or warning of such an event

(See separate Lockdown Procedure)

Evacuation

In the event of the need to evacuate the building, the school's Fire Drill procedures will be followed.

Bomb Hoax Warning

If a bomb warning is received, the school will be evacuated using the Fire Drill Procedure. Children will line up on the AstroTurf with the registers taken by the class teachers. Children and staff will then evacuate via the Courtyard to a place of safety.

Communication

As soon as the situation is secure and the school is in 'lock down' the Headmistress, Deputy or Assistant Head or nominated member of staff will attempt to undertake the following – if it is safe to do so:

- a. Contact parents/carers by text message notifying them that the school is in 'lock down' and they should not attempt to attend the school.

- b. A banner with the above information will be put on the school website by the Marketing Manager/a member of Dukes Marketing team.
- c. Contact staff who may be en-route to notify them that the school is in 'lock down' and they should not attempt to attend the school.

School Closure

The decision to close the school will only be made in exceptional circumstances by the Headmaster.

Due to the timing of the school day, the decision to close the school due to say severe weather conditions will need to be made the previous day or by 6.30am on the day. A decision to close the school on subsequent days will be made by 2.30pm.

This will be communicated via The Lyceum's email or Text Anywhere system and published on the school website by members of the Office Team.
